LUZ'S ANNIVERSARY CELEBRATION **... CONTINUES THROUGH FAIR TIME ...**

We continue this celebration so all the people who come to attend the fair can observe that the Fall and Winter needs of Misses, Girls and Boys, as well as Men and Women have also been provided for most generously. As an object lesson in Lutz Anniversary Celebration we think the event well deserves its name. But you cannot judge the true worth and helpfulness of the offerings until you come and see them. We predict that your surprise at the scope of their usefulness will grow at every turn as you pass among the stocks.

Between Ourselves

And universal clothing new is answered here by constantly changing stocks, stores which, in the pleasing variety they offer from day to day, are alike in interest to that which is created by the variety of new scenes and actions offered at the moving picture entertainment where duplication of the film of yesterday is naturally deemed useless.

There is movement and life here—many interesting new and first showings of novelties are constantly taking place. And to all of this you are cordially invited whether you come intending to buy or simply to be entertained.

When the public become indifferent to conditions here, then we must not expect that they will be willing to pay the price of their time to come and see what's going on.

There's something new to look at here every day.

EDITORIAL

This is a store where style in women's apparel finds its highest expression—where a distinctive atmosphere prevails and influences every selection. A store where the critical woman will always find her apparel requirements anticipated. It is a store where dress is understood as an expression of the personality of the wearer—a helpful store which gives fullest recognition to the demands of fashion and fulfills its conscientious duty.

Experience is the wisest teacher of all in selecting the vogue in dress. It guides us here unerringly. Even if now and then our judgment should go wrong in little things, the big things of style in Women's dress are morally certain to be right.

Fashion is the keystone of the arch under which one passes into polite society. And this store opens wide the hardtopped door in the arch.

and thence east another mile.

Hard Fighting in East

Hard fighting has been resumed from the Priest marsh region in Russia through Galleia and up in the Carpathian mountains. Berlin and Vienna claim the repulse of Russian attacks on a front of about 12 miles west of Laski; in Galleia and in the Carpathians at several points. Near the Marciwowa river, however, Berlin admits that the front Arch-

duke Charles Francis was pushed back by the Russians, placing the latter closer to Malicz. Petrograd records an advance for the Russians of Lemberg, and the capture of more than 3,000 Germans in fighting along the Anarutka river and the Podyssek-Halicz railway.

Rumanians Take Towns

Bucharest reports the occupation of additional towns in Transylvania. Berlin and Sofia assert that forces of the

central powers in Dobruja are in pursuit of the retreating Rumanians and Russians.

Italians in their quest of Trieste have won strong positions from the Austrians. Southeast of the Boherdo height penetration of the Austrian line is admitted by Vienna but the official communication says the Italian losses were extremely heavy.

UNION MEN WILL GO TO SUPREME COURT

SENTENCE IMPOSED ON HEAD OF MINE WORKERS CHARACTERIZED AS OUTRAGE

Oklahoma City, Sept. 18—State officials of the United Mine Workers of Oklahoma are convinced that an appeal would be carried to the United States supreme court from a decision of the Oklahoma circuit court of appeals sitting at Denver recently. The decision affirmed full sentences imposed upon a former Oklahoma union official and union miners.

Despatches from Denver stated that the court of appeals affirmed the sentence imposed by Judge Frank A. Youmans of the United States district court, September 1, 1914, upon Peter R. Stewart, then president of the United Mine Workers of Oklahoma and Texas, Frank Gilpando, George Barnett and Pink Dunn on charges that the defendants violated an injunction of the court issued against them from preventing interference with the open shop operations of the Bache-Dennan coal syndicate in the Hartford Valley. The defendants were each sentenced to serve four months in jail.

TULSA CHIEF OF POLICE AND JUDGE ARE HELD

Tulsa, Sept. 18—Chief of Police E. J. Lucas and Municipal Judge C. O. Cavit were arrested Saturday after they had refused to recognize a writ of replevin issued by a justice of the peace and return six barrels of cider which they had confiscated in a raid earlier in the day.

Both officials were charged with contempt of court in not returning the beverages to the owner, but when the constable asked for commitments the owner of the cider asked that they not be held and they were allowed to leave the court room.

The police inaugurated a war on all cider and temperance drink parlors today and the police station is filled with barrels, casks and crates of beverages collected.
